SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

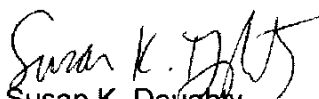

Sir:

Further to the Information Disclosure Statements filed September 19, 2005 and October 20, 2004, the Examiner is respectfully requested to consider the additional reference. For the Examiner's convenience, the reference is listed on the attached Patent and Trademark Office Form PTO-1449. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), copies of cited U. S. patents and U. S. patent application publications are not included, but will be provided upon request.

References known to the applicants have been listed on the PTO-1449 forms submitted in the application. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of form PTO-1449 or equivalent forms is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

Susan K. Doughty
